**Regarding: Letter of Appreciation**

Dear Sir,

I am writing on behalf of my company to thank Falcon Security for their timely service. I needed short term overnight security for a property and Falcon Security was able to take care of my request with a few hours notice. The security service they provided was able to offer me piece of mind until my deal closed.

I would gladly recommend Falcon Security and would use them in the future, should the need arise.

Yours Truly,

Babak Filsoof  
General Manager
